

Welcome, Gina Flores!

Jayden Christman & Gina Flores

Gina Flores

Gina Flores is our new Program Support Assistant (OA) for the Horticultural Crops Research Unit. She began working remotely for us on May 10, 2020. Gina was previously a Program Support Assistant for the National Small Grains Collection Research Unit in Aberdeen, ID. She has been working with the USDA since 2016.

Gina works on all of our administrative details for the unit. Including but not limited to personnel, shipments, agreements, 115's, annual reports, performances, and purchasing. Her hours are 7:30 am to 4:00 pm and she will mainly be teleworking, unless office coverage is needed, until further notice.

Gina has a Master's in Business Administration from Ashland University. In 1997, Gina, her husband, and her two oldest children moved to Texas from Guam. They then lived in Texas where their family gained 2 more wonderful kids. Then back in 2016 they moved to Idaho where Gina began her work with the USDA.

Please feel free to reach out, introduce yourself to Gina, and welcome her to our amazing team!

You can contact Gina Flores at gina.flores@usda.gov, her office number is (541)738-4021. Or if you need anything, her cell is (208)851-2009. 😊
